ACE of HEARTS

Make your own Valentine cards this year. Use these instructions to make the ACE of HEARTS cards or be creative and come up with your own.

Materials Needed:

Pencil
Playing cards
Red card stock
Scissors
Marker
Foam heart stickers (or use glue for adhesive)

1. Use a pencil to trace around a playing card onto card stock, then cut out the traced shape.
2. On one side, write the letter A on 2 corners as shown (make one A upside down, as on a real playing card). Decorate with heart stickers and add a message like "You're a real ACE" or "You're an ACE in my book". On the other side, write who the card is to and from.
